Only the best beaches for your smartphone

Sólo las mejores playas para tu smartphone

A practical guide of the finest beaches on the island, including information on their characteristics and all services available.

Una guía práctica de las mejores playas de la isla con una información completa de sus características y servicios disponibles.

The image shows three smartphones displaying the 'Beaches · Playas' app. The background phone shows a map of the island with location pins. The middle phone shows a list of beaches with circular icons. The foreground phone shows a detailed view of 'Aigües Blanques' beach, including a photo, a list of services (e.g., Relaxation, Sunbathing, Romantic, Tranquil), and a rating.
